

Riverside supply all product through a unique consignment method. With over 20 years experience of helping stores to maximise their profits, Riverside is the perfect choice to help you improve and gain extra sales.

We have built our reputation as a leading publisher of high quality greetings cards and have expanded into supplying a wide range of ancillary products. Our professional but personal approach to service, supported by quality products, is highly valued by all our independent retailers.

The Riverside concept:

- **No cash outlay** - We provide all stock & display equipment free-on-loan
- **No Risk** - You only pay for what you sell
- **Save time** - No time spent purchasing, our team will take care of everything
- **Make money** - True bottom line profit on every sale

The Riverside Service Promise
